**Condition of Release:** *The defendant shall submit to any method of testing required by the pretrial services office or the supervising officer for determining whether the defendant is using a prohibited substance. Such method may be used with random frequency and include urine testing, the wearing of a sweat patch, a remote alcohol testing system, and/or any form of prohibited substance screening or testing.*

On November 22, 2006, Mr. Aldan failed to show for a scheduled drug test at the Marianas Psychiatric Services. On November 27, 2006, he reported to the U.S. Probation for a noncompliance meeting with this officer. He admitted that he did not call the urinalysis drug recording telephone line as instructed on November 26, 2006 and consequently failed to show for his drug test.

Respectfully submitted this 15<sup>th</sup> day of December 2006.
